TWO CANDIDATES FOR MAYOR AT HIGHLAND BEACH: Haley Douglass is Opposed by M. Grant Lucas, Saturday

OUTSIDERS STILL MENACE RESORT

Beach to Protect Itself from Trespassers

HIGHLAND BEACH, Md.—Some fifty or more owners of summer homes in this exclusive Chesapeake Bay resort will go to the polls Saturday, July 30, and vote for five commissioners. Haley Douglass, chairman of the commission, and generally regarded as the mayor, will be opposed by M. Grant Lucas. Both are Washington school teachers.

The report of the chairman of the commissioners for the year says in part:

The present commission board, consists of Mrs. Fannie H. Douglass, Haley B. Holmes, Virginia A. Washington, clerk; William A. Wells, and Haley G. Douglass. We are still confronted with the problem of unauthorized picnics and bathing parties.

The failure of large hotels to provide adequate bathing and recreational facilities has placed upon us the burden of protecting our property from rowdy trespassers whose ignorance or lack of self respect permits them to trespass upon residents who bought their homes for the benefit of their own families and friends.

Drunken Revelry

"Recent act of vandalism in our vicinity was probably performed by drunken revelers. From the description given, they are the same persons who on former occasions have gotten away with similar offenses. When boys play pranks for criminal proportions it is the duty of us to employ every possible means in bringing the culprits to justice."

Every Road Oiled

"The beach front has been cleared of untidy weeds and brush and many of the sumps placed in streets have been graded, sidewalks leveled, cement gutters put in at each of the owners' drives."

Continued on Page 2, Column 4
and the work of permanently improving the roads as planned has been pushed forward as economically and as fast as funds have become available and I am now pleased to say it is contemplated that within the next 12 months every road in Highland Beach will be oiled and surfaced, and put in first-class condition.

Tax Rate Reduced
"Notwithstanding all of these improvements we have reduced our tax rate from $1.00 to 75 cents, and, with the nearing of the completion of our road work we contemplate making a still further reduction in the tax rate for next year and cut the original tax rate in half.

"The work of keeping the roads in repair hereafter will be a small item and we will now be able to devote our time with a small expenditure to further beautifying our town and making other improvements for the benefit of the residents."

List of Voters
The following is a list of the voters who appear on the records as eligible to vote in 1932:
