

Mark Ishee Bio

Current Position - Vice President, Pavement Preservation and Specialty Products
Ergon Asphalt & Emulsions

Mark has been employed with Ergon for the past 36 years, the last 33 of which have been with the Asphalt and Emulsions division. He has experience in many aspects of the emulsion industry including plant operations, laboratory testing, research and development, specification writing, field applications and product marketing.

With Ergon's support, Mark has also works within the asphalt emulsion industry at large. He is active in several AASHTO and Transportation Research Board committees and has served on the Board of Directors and as Technical Director for the International Slurry Surfacing Association. Mark is currently the incoming president of the Asphalt Emulsion Manufacturers Association.
