HOW TO BOOK A SEAT

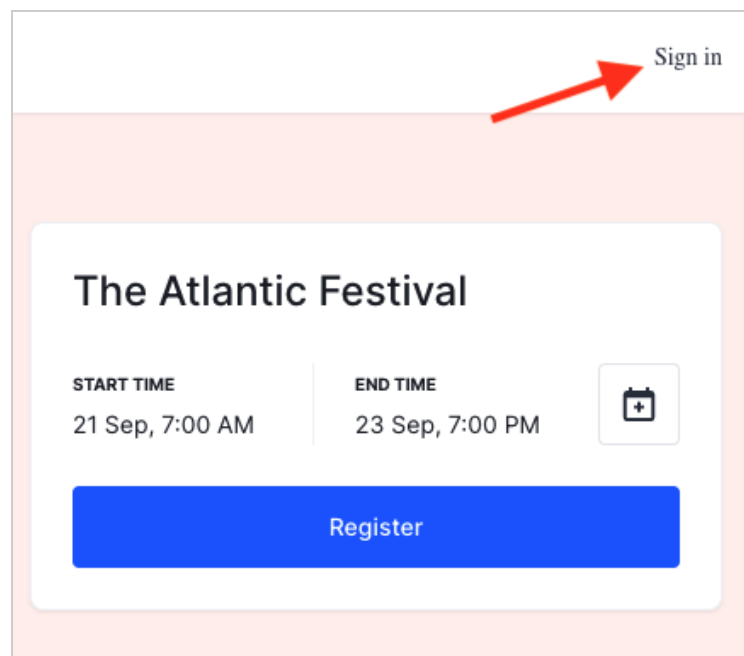

If you have purchased an in-person pass, you are required to book a seat via [Hopin](#) for the programs you wish to attend. Capacity may be limited and seating is first come, first served.

On the day, we recommend arriving 30 minutes before the start of the session. Seating is not guaranteed less than 10 minutes prior to the session start time.

Follow the instructions below to book a seat. You can also view an instructional video [here](#).
