In Pursuit of Happiness COVID-19 Policy

The Atlantic is committed to providing and maintaining a safe environment for our guests, speakers, underwriters, production partners, and employees.

To welcome you safely into In Pursuit of Happiness, we will require all in-person attendees to fill out this attestation form, including proof of your vaccination status no later than April 20, 2022.

The Atlantic’s COVID-19 vaccination policy limits access for in-person attendance at any company-organized event to individuals who have completed a full course of the COVID-19 vaccine.

You will be considered fully vaccinated based upon the following criteria:

- You will initially be considered to have received a full course of vaccination two weeks after the date on which the final shot of your initial vaccine regimen is administered.
- Once eligible for a booster shot, you will have one (1) month from the date of eligibility to receive a booster shot. If you have not received a booster shot within one (1) month of becoming eligible, you will no longer be considered to be fully vaccinated.

By attending The Atlantic’s In Pursuit of Happiness, you will abide by this policy in addition to all applicable local, state and federal COVID-19 mandates. The Atlantic may adopt additional reasonable COVID-19 rules and regulations in its sole discretion. This may include but is not limited to mask mandates or testing requirements.

Please note that the staff and other guests at The Ritz Carlton-Half Moon Bay are not subject to The Atlantic’s vaccination requirement. The venue will follow all local, state and federal government regulations at the time of the event and presently requires its staff to wear masks when indoors at all times. The Atlantic will update you of any material changes in the hotel’s policies and procedures, as we become aware of them.

The Atlantic reserves the right to change or adjust the COVID-19 policy requirements as the pandemic evolves or government requirements change and will make every effort to notify you in advance of any deadlines.

On-Site Health Policy

The Atlantic requests that any attendees who are not feeling well, are exhibiting COVID-19 symptoms, or who have been infected or exposed to COVID-19 within 5 calendar days of In Pursuit of Happiness not attend the event in person. Please reach out directly to events_audience@theatlantic.com with any concerns and to update your registration. Thank you.
