

METHODOLOGY

METHODOLOGY

Leger,the largest Canadian-owned polling and marketing research firm, in collaboration with The Atlantic, conducted this Web survey with a representative sample of **1,004 Americans**, over the age of 18, selected from LEO's (Leger Opinion) representative panel. Data collection took place from **June 4th**, **2021 to June 6th**, **2021**, via Computer-Assisted Web Interviewing technology (CAWI). Using 2010 U.S. Census reference variables, the American data was then analyzed and weighted by our statisticians according to gender, age, region, race/ethnicity, household size and education level in order to render a representative sample of the general population.

A margin of error cannot be associated with a non-probability sample in a panel survey. For comparison purposes, a probability sample of this size would have a margin of ±3.09%, 19 times out of 20. The results presented in this study comply with the public opinion research standards and disclosure requirements of CRIC (the Canadian Research and Insights Council) and the global ESOMAR network. Leger is a founding member of CRIC and is actively involved in raising quality standards in the survey industry. President Jean-Marc Léger is a member of the CRIC's Board of Directors and the Canadian representative of ESOMAR.

Leger is the polling firm that has presented the most accurate data, on average, over the last ten years in Canada. During the last federal election in 2019, Leger was once again the most accurate firm in the country. This accuracy is attributed to the quality of the LEO panel and rigorous application of methodological rules by Leger's 600 employees, including 200 professionals in Leger's eight offices across Canada (Montreal, Toronto, Quebec City, Winnipeg, Calgary, Edmonton and Vancouver) and in the United States (Philadelphia).

Poll aggregator 338Canada.com gave Leger the highest rating among all polling firms in Canada for the accuracy of its studies. See https://338canada.com/pollster-ratings.htm

METHODOLOGY

Notes on Reading this Report

The numbers presented have been rounded. However, the numbers before rounding were used to calculate the sums presented and might therefore not correspond to the manual addition of these numbers.

In this report, data in bold **red** characters indicate a significantly lower proportion than that of other respondents. Conversely, data in bold **green** characters indicate a significantly higher proportion that that of other respondents.

A more detailed methodology is presented in the appendix.

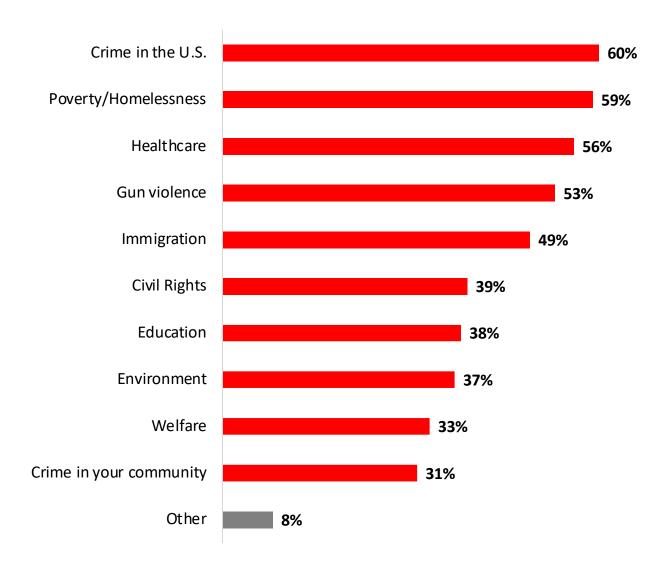

If you have questions about the data presented in this report, please contact Christian Bourque, Associate and Executive Vice-Present at the following e-mail address: cbourque@leger360.com

MAJOR PROBLEMS IN THE U.S.

(Respondents could select up to three)

GUN-CONTROL LAWS PASSED BY CONGRESS

ATL17. And which of the following gun-control laws would you like to see passed in Congress?*

	TOTAL USA	North- East	Mid- West	South	West	18-34	35-54	55+	Male	Female	Voted for Trump	Voted for Biden	Voted for other
Weighted n =	1,004	180	218	372	234	276	393	335	487	517	373	404	16
Unweighted n =	1,004	200	205	323	276	196	407	401	494	510	343	464	44
Stricter background checks for gun ownership	61%	62%	63%	59%	61%	57%	57%	68%	54%	67%	46%	76%	55%
A ban on all automatic weapons	50%	55%	50%	48%	48%	43%	52%	52%	47%	52%	25%	74%	45%
Stricter background checks for ammunition purchases	49%	50%	51%	48%	46%	45%	51%	50%	42%	55%	27%	67%	49%
A ban on all semi-automatic weapons	41%	52%	38%	36%	41%	37%	42%	42%	36%	45%	20%	62%	39%
None of these	25%	20%	26%	26%	27%	24%	27%	23%	32%	19%	42%	7%	42%

^{*}Since respondents could give more than one answer, the total may exceed 100%.

ATL18. Do you feel stricter Gun Laws would reduce violence, increase violence, or keep it about the same?

	TOTAL USA	North- East	Mid- West	South	West	18-34	35-54	55+	Male	Female	Voted for Trump	Voted for Biden	Voted for other
Weighted n =	1,004	180	218	372	234	276	393	335	487	517	373	404	16
Unweighted n =	1,004	200	205	323	276	196	407	401	494	510	343	464	44
Reduce violence	47%	61%	40%	44%	47%	50%	52%	40%	44%	50%	21%	73%	35%
Increase violence	18%	11%	17%	20%	20%	17%	15%	21%	21%	15%	34%	6%	14%
Keep it about the same	35%	28%	43%	35%	33%	33%	33%	40%	35%	35%	45%	21%	52%

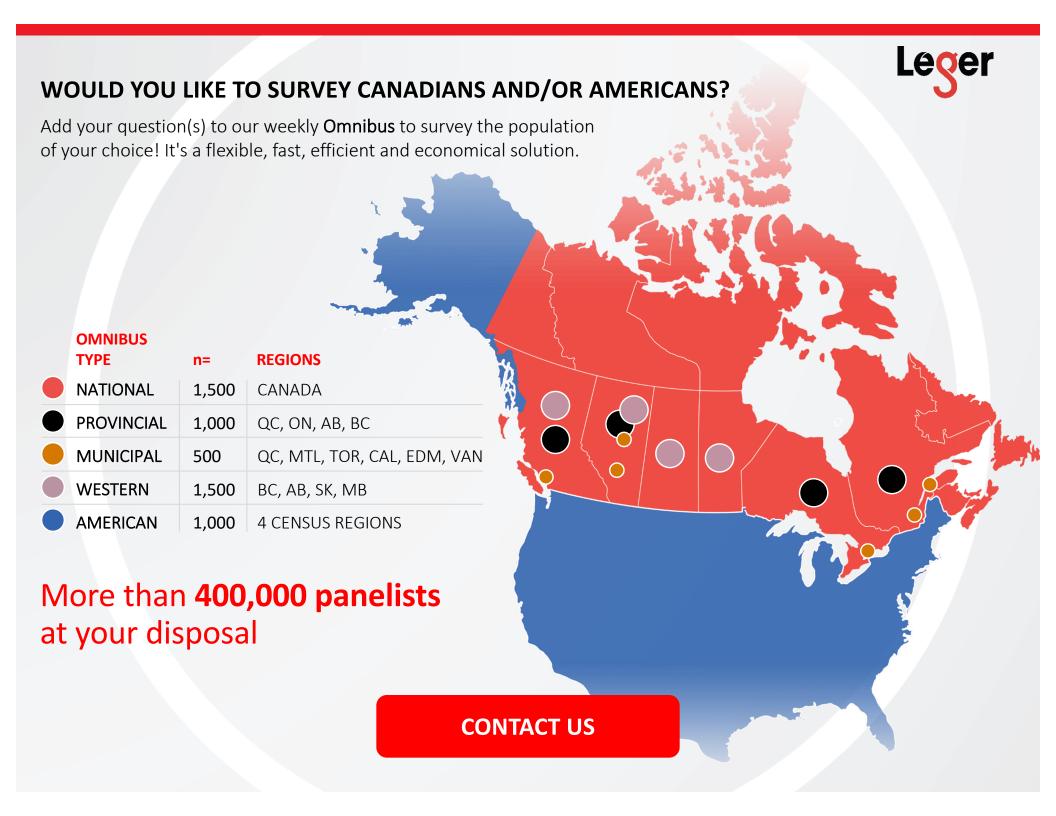

LEVEL OF AGREEMENT ON GUN-CONTROL LAWS

ATL19. On a scale of 1 to 5, where 1 is strongly disagree and 5 is strongly agree, how would you rate how strongly you agree or disagree with the following statements?

^{*}Since respondents could give more than one answer, the total may exceed 100%.

APPENDIX

DETAILED METHODOLOGY

Weighted and Unweighted Sample

The table below presents the American geographic distribution of respondents before weighting.

US region	Unweighted	Weighted
NorthEast	180	200
MidWest	218	205
South	372	323
West	234	276

DETAILED METHODOLOGY

Weighted and Unweighted Sample for The United States

The following tables present the demographic distribution of respondents according to gender and age for The United States.

GENDER	Unweighted	Weighted
Male	487	494
Female	510	517

AGE	Unweighted	Weighted
Between 18 and 29	98	165
Between 30 and 39	200	228
Between 40 and 49	187	197
Between 50 and 64	284	251
65 or older	225	173
