

Senator Arlen Specter

Standing Up for SEIU Members and their Families

Senator Arlen Specter has always stood beside SEIU members in our mission to provide a better quality of life for working families. He has supported the values we believe in, including fair pay and increasing the minimum wage. Senator Specter has done the following to earn our endorsement:

- ◆ *Fought hard for health insurance reform, and because of that victory 1.3 million uninsured Pennsylvanians will now have access to affordable care.*
- ◆ *Voted 20 times to raise the minimum wage.*
- ◆ *Cast a deciding vote in favor of the Recovery Act, which created more than 120,000 jobs in Pennsylvania in just the first three months of this year.*
- ◆ *Voted to expand S-CHIP so more kids have access to health insurance.*

SEIU PA State Council recommends

*Arlen Specter for
United States Senate*

Working hard for working families

When Senator Arlen Specter cast the deciding vote for President Obama's stimulus package in 2009, he voted to give working families a hand up in these tough economic times. Now he needs our support to send him back to Washington to keep fighting for us.
